NEWS

Welcome Visitors

This afternoon we welcome the Directors, officials, players and supporters of Bolton Wanderers Football Club to Brisbane Road for this Third Division match. Bolton is a club steeped in tradition having once been in the First Division and are former FA Cup winners. Their manager Phil Neal is the former England and Liverpool defender.

100 per cent Record

The O's will this afternoon be attempting to keep up their remarkable 100 per cent home record which has seen the team win all seven matches, five in the League and two in the Rumbelows Cup, here at Leyton Stadium.

Sunday Match

Our next home Third Division match takes place on a Sunday — November 4 — when Fulham will be the visitors in a local derby. The game kicks off at 12 noon.

Two days later we play Fulham again at Brisbane Road in the preliminary round of the Leyland Daf Cup. The kick off on November 6 is 7.45 p.m.

Next Games

The team now face three successive away games, two in the League and one in the Cup.

On Tuesday next week, October 23 O's are away to Grimsby Town and next Saturday, October 27 visit Reading at Elm Park.

The third round Rumbelows League Cup match away to First Division Crystal Palace takes place at Selhurst Park on Tuesday, October 30.

Collection

Basics (London) — The British Association For Immediate Care — are holding a collection at our next home game with Fulham on Sunday November 4.

Basics works in close liaison with the emergency services and a sophisticated radio communication system alerts them to incidents where their help is needed. They play a key role in major disasters. They need more funds to train and equip team members.

Their service is entirely voluntary and receives no funding. Please support their collection.

THE 'S

FRANKLY SPEAKING

I have decided to include on this page today a copy of the newsletter from the Football Trust regarding their policy towards financial assistance for football clubs in the future.

FOOTBALL TRUST ANNOUNCES GRANT POLICY FOR MAJOR PROJECTS

The Football Trust 1990 has set the initial levels of grant-aid available to Football League and Scottish Football League clubs to assist them implement the recommendations outlined in Lord Justice Taylor's Final Report. At a full meeting of the Trust held in London this week, maximum grant ceilings for major developments including seating, cover, stands, ground sharing and new stadia were determined. The Football Trust, which was founded through an initiative by Littlewoods, Vernons and Zetters, will allocate around £27.5 million annually to fund this programme and other essential measures aimed at helping the professional game.

The Football Trust has agreed that every club in the Football League and Scottish

Football League will be eligible for grant-aid assistance towards the cost of 'major projects'. Determined by the nature and category of the proposed scheme and the needs and resources of the clubs themselves, all projects will receive support at the Trust's discretion.

Special financial incentives, of up to at least £4 million for English First Division and Scottish Premier Division clubs, will be available to those prepared to enter ground sharing arrangements. Clubs seeking grant-aid for new stadia will be expected to invest the entire proceeds from the sale of their existing site into the cost of the new development, and to investigate all other possible avenues for funding.

During the next five year period, guidelines for the levels of grant-aid available from the Trust for major projects are:

Guidelines to maximum grant for each club £

Football League	
Division 1	2,000,000
Division 2	1,000,000
Division 3	500,000
Division 4	500,000

Scottish Football League	
Premier Division	2,000,000
First Division	500,000
Second Division	500,000

NOTES:

1. These figures are guidelines only. The Trust retains discretion to consider each application on its merits.
2. "Major Projects" are defined as seating, cover, new stands, ground sharing and new stadia.
3. Grants are calculated on the basis of an assessment of clubs' needs and resources. Account will be taken of normal attendance levels at League matches to avoid money being wasted on facilities which simply create unnecessary additional capacity.
4. Separate grants are available for other safety and improvement projects including toilets, Family enclosures and areas for people with disabilities.

Because of the importance of these new guidelines, I hope that you have found it interesting reading and will be more aware of the problems we face in trying to develop the stadium along the lines of the Taylor recommendations.

HELPING THE GAME

A fine new stand - one of the many initiatives supported by Trust funds.

The Football Trust 1990 has been created to help the game at all levels and to assist clubs meet the requirements of Lord Justice Taylor's final report.

Safety and comfort for all spectators is the primary objective and substantial funds have been made available for the provision of seating at Football League grounds. At the same time the Trust's commitment to family and community initiatives will continue with the provision of more family enclosures, better toilet facilities, covered accommodation, artificial pitches for local use and the development of women's and junior football particularly through community programmes, plus a wide range of policing and crowd control measures.

Each year The Trust expects to receive £20 million from the reduction in Pool Betting Duty plus the £10 million continuing contribution from the Spotting-the-Ball competition organised by Littlewoods, Vernons and Zettlers. This money will be invested in projects which benefit football throughout the United Kingdom.

PROFILE

GERRY MARNER

The Lottery Man

One of the real characters of Leyton Orient Football Club is supporter Gerry Marner who has been selling lottery tickets at Brisbane Road for 20 years. Gerry is a familiar figure on the terraces which he walks round at every game making sure that his army of regular customers receive their lottery tickets.

"I sell around 600 tickets on match days and have a great relationship with my customers," said Gerry. "We have a chat about the club and it is a real social event."

Gerry, who was introduced to Leyton Orient 30 years ago by some friends does not confine his sales technique to O's supporters. He sells the lottery at every opportunity, in pubs, houses, and even on buses when travelling to games. Gerry first started watching the club in the days of Vic Groves, Stan Charlton and his football hero Tommy Johnston.

He enjoys watching O's current crop of young players and is delighted by the progress this season of defender Adrian Whitbread.

Gerry, who lives at Manor Park could be missing from his terrace trail on Tuesday November 6 when O's play Fulham in the Leyland DAF Cup.

It's his wife Josephine's birthday. "I don't think it would go down too well if I took her to football," says Gerry

"especially as she is a West Ham supporter".

Commercial Manager Frank Woolf said: "If we had more lottery ticket sellers like Gerry it would be great. He is very enthusiastic and the lifeline of the club in his fund raising efforts. Everybody knows him".

AROUND THE THIRD

Struggling Rotherham's dismal form continued on Saturday when they slumped 1-3 at home to fellow Yorkshiremen Huddersfield Town, their fifth successive defeat — a result which leaves them firmly rooted at the bottom of the table.

Rotherham are two points adrift of three clubs on seven points Fulham, Shrewsbury and Crewe. The London club went down 1-2 at Stoke, their goal coming from Leroy Rosenior, his third in three games since joining Fulham on loan from West Ham United. Shrewsbury, beaten 2-3 by O's at Brisbane Road last Saturday have managed one win in 10 League games.

Crewe have lost seven of their 10 League games, Andy Sussex scoring their goal in the 1-3 defeat at Swansea.

Bournemouth manager Harry Redknapp returned to work this week after the horrific car crash in Italy during the World Cup which almost cost him his life. He will be hoping to see his side climb up the table from their current 16th position. They have lost three of their last four games but will be hoping to take three points from Crewe this afternoon.

Top of the division is currently a two horse race between Grimsby Town and Southend United who have a five point lead over third placed Stoke City and seven over chasers Birmingham City and Reading.

The Cleethorpes side have won five of their last six games with Neil Morrissey scoring his seventh goal in the 2-1 success over Chester City.

Southend, promoted from the Fourth last season are looking good to go up again but their 1-1 draw at Birmingham was marred by the sending off of defender David Martin.

Stoke kept up their challenge for a quick return to Division Two with their third successive win — 2-1 against Fulham.

Birmingham City are the division's score-draw specialists — six draws in succession — and are still unbeaten having won their first four games.

Reading's six-match unbeaten run came to a

sudden halt on Saturday when they surprisingly lost 0-1 away at Wigan.

MEET OUR VISITORS

Today's visitors Bolton Wanderers are in a disappointing 20th place in the Third Division table having managed only one away win this season. They do however have one of the best strikers in the division in Tony Philliskirk who has scored six League and Cup goals in the current campaign.

Their results this season are as follows: Shrewsbury (A) 1-0, Bradford (H) 0-1, Huddersfield (A) 0-4, Crewe (H) 3-2, Preston (H) 1-2, Brentford (A) 2-4, Wigan (A) 1-2, Mansfield (H) 1-1, Stoke (H) 0-1, Bury (A) 2-2. Last season Bolton finished in sixth position but failed to get through the play-offs.

MARK CAME — *Defender* Joined the Wanderers from non-League Winsford United in 1984. Became a regular twelve months later but a broken leg in 1988 kept him out of the game for a long period. Forced his way back into the team last season and popped up with some important goals in the marathon cup tie against Swindon Town.

JULIAN DARBY — *Midfield* A product of the club's youth policy who has proved to be a versatile member of the squad since making his debut in 1986. Over 150 appearances for his home town club and was an ever-present last term in which he scored 12 goals.

STEVE THOMPSON — *Midfield* The club's longest serving professional having made his debut in November 1982. Came through the youth ranks and has since played over 300 games in three divisions of the Football League.

STUART STORER — *Midfield/Forward* Born Harborough. Joined Bolton in a £25,000 deal from Everton in January 1988 after a loan spell. Began his career with Mansfield Town before moving to Birmingham City and then on to Goodison Park.

GARY HENSHAW — *Midfield* Moved to Burnley from his only other League club, Grimsby Town, in July 1987. He failed to command a regular place last term and spent some time out on loan with Rochdale.

ROBBIE SAVAGE — *Midfield* Missed most of last season through injury. First appeared in the Football League in a loan period with Wrexham from his first club Liverpool. Since played with Stoke City, Bournemouth and Bradford City from whom he joined Bolton in September 1987.

PAUL COMSTIVE — *Midfield* Joined the Wanderers in September 1989 from Burnley after making 82 appearances for the Turf Moor club. Began with Blackburn Rovers and his other clubs include Rochdale (loan) Wigan Athletic and Wrexham.

SCOTT GREEN — *Midfield* A £50,000 fee secured the 20-year-old from Derby County last March. He failed to appear in the first team at the Baseball Ground but forced his way into the Bolton side in the latter stages of the campaign.

DEAN CROMBIE — *Defender* An experienced player who commenced his League career with his home town club. In 1978 he moved to Grimsby Town and made over 350 appearances before coming to Burnden in 1987. Can play in either the left back position or in central defence.

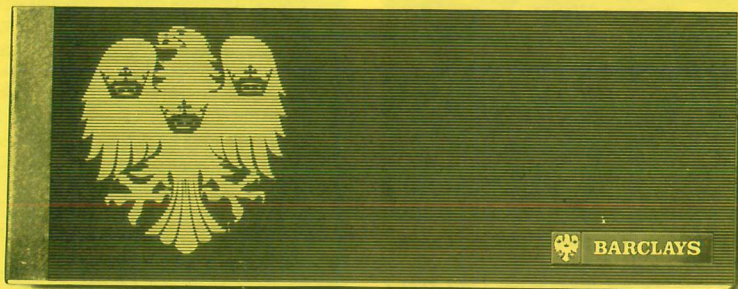

MARK WINSTANLEY — *Defender* A 'home grown' player who made his debut in 1986. Became a regular in the side two years later and has now over 100 appearances to his credit. His consistent performances have been a feature that have attracted the attention of some First Division clubs.

TONY PHILLISKIRK — *Forward* Last season's leading goalscorer after his close season £50,000 move to Burnden from Preston North End. Began his career with Sheffield United, making 80 appearances, before moving to Oldham in July 1988 where he spent only 7 months.

MIKE JEFFREY — *Forward* Made his debut as a 17-year-old in March 1989 but failed to hold down a regular spot in the side. Was last season's leading scorer for the reserves.

IAN STEVENS — *Forward* Spent the summer playing in Finland but has still to force his way into the team after joining the club in 1987. Began his career at Preston before spending a short time with Stockport County.

IN RESERVE

The Reserves at last got their first win under their belts winning 3-0 against Sutton United on Wednesday. Our first goal came from Wayne Burnett's corner. Keith Day coming in at the near post to put us in the lead.

We then created several good chances to increase our lead with Alan Hull twice denied. Then young Chris Bart-Williams scored a fine individual goal, cutting in from the right and unleashing a fine shot which went in off the far post from the edge of the box.

After the break, Paul Newell made a fine stop, when Sutton broke early in the half. Andy Sayer made it three when he turned and volleyed after some great approach work by Carl Hoddle to put the game beyond Sutton's reach.

We could have further added three or four more goals by the end of the game, but at least we are now back on the right track. Kevin Dickenson has now started to regain his fitness and we should see him returning to form following his long lay off. Our next game in the Wendy Fair Capital League is this Wednesday, versus our old rivals Southend United at Brisbane Road. Kick off 7.30pm.

WE'RE ON YOUR SIDE!

YOUNG'S

Mark O'Neil

We drew in the League last week against a physical Portsmouth side in another game we dominated. Our failing has been putting the ball away, especially with our fine approach work it continually puts pressure on the back and lead to a doubtful opener for Portsmouth from a free kick.

We were then awarded a penalty when Dave Thompson's shot was adjudged to have been handled on the line by a defender, Chris Bart-Williams again scored from the spot.

We pressed forward and should have been comfortable winners Lakin Okai and Patience were all denied by their outstanding goalkeeper.

We bowed out of the Southern Junior Floodlight Cup

at West Ham on Monday night losing 3-1.

The first half finished scoreless, but we didn't have any problems and looked really tight, Barry Lakin's curling shot was inches wide.

The second half started off in the same fashion then after an hour West Ham took the lead with their first shot at goal. George O'Hanlon punched clear a long cross and the ball fell to Macari who lobbed it into the net. With the rain teaming down West Ham broke down the left and a long cross somehow managed to dip under the bar to put them two up. We pulled one back when Chris Bart-Williams converted a penalty, West Ham then secured their passage through to the next round scoring again after we were caught pressing forward.
